FOCUS - Improves mood, focus, clarity, brain fog

An IV vitamin infusion supports deep hydration while delivering a powerful blend of nutrients to boost energy, enhance brain function, support liver detox, and calm the nervous system. It's designed to help improve mood, focus, and overall vitality from the inside out.

RADIANCE 'Skin Glow' - Hair, Skin & Nails

Packed with antioxidants and collagen-boosting nutrients, this IV infusion works to support radiant skin, stronger hair and nails, and deep cellular rejuvenation. It promotes hydration, reduces pigmentation, and enhances your body's natural collagen production for a healthy, glowing appearance from the inside out.

TRIM DOWN - Boosts Metabolism and Energy

This IV vitamin infusion is designed to hydrate and energise your body, supporting healthy metabolism of sugars and fats while giving your brain and liver a revitalising boost. Perfect for pre-workout prep or an all-day energy lift, it helps you feel sharper, lighter, and more refreshed.

TRANQUILITY 'Calm' - Calms nerves, relaxes muscles, reduces stress

The Tranquility IV infusion is your go-to for restoring calm and balance. With a blend designed to relax muscles, calm the nervous system, and reduce stress, it supports mental clarity, emotional ease, and deep hydration—perfect for when life feels a little too loud.

RECOVERY - Immunity, Energy & Healing

The Recovery IV infusion is formulated to support your body's natural healing process—boosting immunity, energy, and cellular repair. With powerful antioxidants, anti-inflammatory benefits, and support for thyroid, liver, and brain health, it's ideal for post-illness, high-stress periods, or monthly wellness resets.

LIMITLESS ELITE - Complete wellbeing - brain, body, energy, detox (Workout Plus)

The Limitless Elite IV infusion is the ultimate all-in-one for complete wellbeing—designed to power up your brain, body, and energy from the inside out. With a potent blend of antioxidants, immune and liver support, mood and cognition boosters, and deep cellular rejuvenation, it's your go-to for peak performance, recovery, and total reset.

ANTI-INFLAMMATORY - Antioxidant, immunity, reduce inflammation

The Anti-Inflammatory IV infusion delivers a powerful dose of antioxidants and immune support to help reduce inflammation, promote healing, and restore balance. With ingredients that support DNA repair, thyroid function, and muscle relaxation, it's ideal for managing chronic stress, inflammation, and recovery—plus, optional CoQ10 for an extra energy and cellular boost.

NAD. - Nicotinamide Adenine Dinucleotide (the 'antiageing molecule').

The NAD+ infusion supports cellular repair, boosts metabolism, and plays a key role in energy production and DNA protection. Known for its powerful anti-ageing benefits, it also supports brain function, mood, and overall vitality—helping you feel recharged from the inside out.

THE FULL COCKTAIL

The Full Cocktail is your all-in-one wellness blend, packed with essential vitamins and minerals to support energy, immunity, mood, digestion, and skin health. With key nutrients like calcium, magnesium, B vitamins, vitamin C, and zinc, it's designed to nourish your body at a cellular level—helping you feel balanced, energised, and resilient from the inside out.
